All the Windwrecked Stars | Elizabeth Bear | Macmillan

In Elizabeth Bear's All the Windwrecked Stars the last of the Valkyries has come to the last city at the end of time, to reclaim the ancient swords of her dead brothers and sisters. It all began with Ragnarok, with the Children of the Light and the Tarnished ones battling to the death in the

ice and the dark.

Review: All the Windracked Stars by Elizabeth Bear

All the Windracked Stars has that gleeful abandon tempered by more practiced skill. It has the packed, idea-rich feeling of an early work, but revised and tightened by a mature writer who has more control of plot and structure. There are ideas here that, if described in isolation, I would have expected to fail: one of the main characters is a catgirl, for example. But the story meshed for me.

Smorgasbook: All The Windracked Stars by Elizabeth Bear

Elizabeth Bear is one of my favourite authors these days, but I struggled with the start of All the Windracked Stars. I don't mind being plunged in at the deep end and left to figure my own way out, but this world was so alien, built on such different assumptions that just a tiny bit more of a roadmap would have been helpful.

Review: All the Windracked Stars by Elizabeth Bear

All the Windracked Stars is an interesting combination of a far-future apocalyptic world and Norse mythology. The world itself and the characters that inhabit it form an impressive mental image. Bear throws the readers into the story with no info-dumps. The lack of explanation made it a little challenging to pick up the extensive unexplained back-story common to several characters, the Norse
