[Child of God - Wikipedia](#)

Child of God is the third novel by American author Cormac McCarthy. It depicts the life of a violent young outcast and serial killer in 1960s Appalachian Tennessee. Though the novel received critical praise, it was not a financial success. Like its predecessor *Outer Dark*, *Child of God* established McCarthy's interest in using extreme isolation, perversity, and violence to represent normal human experience. McCarthy ignores literary conventions for example, he does not use quotation marks.

It is Cormac McCarthy's n.o. to uncover the underbelly of American history and explore some of the most violent and immoral acts swept under the fa ade of progress and civilization. *Child of*

[Child of God | CormacMcCarthy.com](#)

*Child of God* Suspenseful, spare, a quick and compelling read, *Child of God* is at the same time McCarthy's most extreme challenge to the limits of propriety, perhaps outdoing even *Blood Meridian* in its chronicling of individual depravity.

*Child of God* must be the most sympathetic portrayal of necrophilia in all of literature. The hero, Lester Ballard, is expelled from his human family and ends up living in underground caves, which he peoples with his trophies: giant stuffed animals won in carnival shooting galleries and the decomposing corpses of his victims. Cormac McCarthy's much-admired prose is suspenseful, rich with detail.

[Cormac McCarthy: Child of God The Mookse and the Gripes](#)

I don't know if I've ever read a book as disturbing as Cormac McCarthy's third novel, *Child of God*. It is my first venture to McCarthy pre-*Blood Meridian* (which I

couldn't finish at the time) when he was still writing about Tennessee.

**Child of God by Cormac McCarthy - Goodreads**

Cormac McCarthy's trim third novel, *Child of God*, is an optimal example of this sentiment, as it manages to provide the counterparts of the both comfortable and disturbed elements within the reader by offering them an unflinching portrait of baseness and demanding reaction. The short novel chronicles the hellis

**Child of God by Cormac McCarthy - Penguin Random House**

About *Child of God* In this taut, chilling novel, Lester Ballard a violent, dispossessed man falsely accused of rape haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance.
