Cultural Geography in Practice provides an innovative and

accessible approach to the sources, theories and methods of cultural geography. Written by an international team of prominent cultural geographers, all of whom are experienced researchers, this book is a fully illustrated guide to methodological approaches in cultural geography. **CULTURAL GEOGRAPHY IN PRACTICE -** taylorfrancis.com

This chapter is about the place of personal stories, everyday life, memories and experiences in research on home and identity. The term life stories is deliberately broad, and encompasses the study of people in their own words, both in text (including diaries, memoirs, letters, autobiographies and travel writing) and in person (through
