Down River is a beautifully constructed story of personal redemption, family secrets, and murder a small-town epic, if there is such a thing. Hart dexterously juggles a large cast of characters and several intricate plotlines, and when he starts to tie together the threads of the various stories well, that's when the real magic begins. A truly splendid novel with a deep emotional core.

DOWN RIVER is a very compelling crime drama, with

great writing, dialogue and character depth. A tightly paced thriller, but one that thoroughly explores tragic family and personal relationships. Like a Southern soap opera, but don't let that scare you. Superb narration by Scott Sowers, he does a great job with all the character voices.
