Light Curves of Variable Stars edited by C. Sterken
This unique volume provides a complete reference on
variable stars. It presents a wealth of typical light- and
colour-curves to allow identification, together with a
detailed and up-to-date description of each subclass.

Book Review: Light Curves of Variable Stars by C.
Sterken ...

Abstract Since about the early seventies no proper book on
variable stars has been written. The probable reason is the
explosive growth of the field of variable-star research
during the 25 years since.
