Market Data | Self Directed Investing | Tools |

Questrade

Market data gives you the information you need to see the big picture in the major North American markets. The data provides basic bid and ask information and is displayed in the level 1 quote area of the stock or option quote tab, watch list and level 1 gadget.

Amazon.com: MDDL and the Quest for a Market Data Standard ...

I work with market data every working day so have a high level of knowledge concerning it. But when a new standard comes along, particularly one where a fair amount of abstraction of the domain is applied, it is

difficult to map real world data into that abstract model.
