After I read "No Apparent Danger", I was convinced that Williams was a phony and a manipulator of details to suit only himself. I cried for those people who died such horrible deaths. My heart went out to the families of the people that he convinced to go into a live volcano without proper safety attire and equipment. When are people going to realize that there is no such thing as a safe

No Apparent Danger - Victoria Bruce - Paperback

Expertly detailing the turbulent history of Colombia, Victoria Bruce links together the stories of the heroes, villains, survivors, and victims of these two events. No Apparent Danger is a spellbinding account of clashing cultures and the life-and-death consequences of scientific arrogance.

NO APPARENT DANGER by Victoria Bruce | Kirkus Reviews

A Portland Oregonian science reporter investigates two recent volcanic eruptions in Colombia and skewers a scientist survivor of the latter tragedy for misrepresenting his role and taking credit for the discoveries of others.

No Apparent Danger - Victoria Bruce - E-book

No Apparent Danger links the characters and events of these two eruptions to tell a riveting story of scientific tragedy and human heroism. In the aftermath of Nevado del Ruiz, volcanologists from all over the world came to Galeras -- some to ensure that such horrors would never be repeated, some to conduct cutting-edge research, and some for personal gain. Seismologists, gas chemists
