...

Post-Disaster Reconstruction will be the first major book that analyses the different perspectives and experiences of the enormous post-tsunami reconstruction effort. It looks specifically at the reconstruction efforts in Aceh, one of the regions most heavily-hit by the tsunami and a province that has until recently suffered nearly three decades of armed conflict. Positioning the

Post-Disaster Reconstruction often is the first significant publication that analyses the several views and reviews of the big post-tsunami reconstruction attempt. It seems to be particularly on the reconstruction efforts in Aceh, one of many areas so much heavily-hit via the tsunami and a province that has till lately suffered approximately 3 many years of armed clash. Positioning the
