In The Little Book of Bull Moves, popular author and
economic advisor, Peter Schiff, takes a new look at
America's bull markets of the 1920's, 1960's, and 1990's,
and the bear markets that followed. Analyzing similarities
and differences from both an economic and political
perspective, Schiff discusses investment strategies that
worked then and explains how those same conservative
approaches to investing can be applied in today's market. *
Provides detailed advice on the techniques and
