Today's organizations are in the learning business. Employees must take in a constant supply of new information and apply it to their work regardless of their position. Organizational learning is the process of forming and applying collective knowledge to problems and needs. Organizations learn.

The Manager's Pocket Guide to Organizational Learning ...

Look no further than The Manager's Pocket Guide to Organizational Learning. In fact, I had been looking for such a book when happily I came across this one. And it's a delight. Author Stephen Gill boils the concepts down into neat, easily and easily actionable ideas. Gill, a noted consultant with three decades worth of experience, creates a tripartite prism for coming to grips with
