[The Politics of Africa's Economic Recovery; Richard ...](#)
Richard Sandbrook answers these questions and assesses the feasibility of the new political program in reinforcing Africa's economic recovery. He argues that the program has merit in the short term, but in the longer term, a more self-reliant, state-directed approach should be adopted to ensure prosperity and durable democracy.

[The Politics of Africa's Economic Recovery by Richard ...](#)

According to the official development ideology of the 1990s, political reform must accompany economic liberalisation. Investors, lenders, and aid donors have become disillusioned with autocrats who are unable to foster private investment and economic recovery.
