[The Silent Hour \(Audiobook\) by Michael Koryta | Audible.com](#)

However, "The Silent Hour" is pure trite and Lincoln Perry the most incompetent, no stupid, characters that i have ever encountered. His actions do not make any sense and this listener/reader wanted to slap him alongside his head again and again. What is the worst thing about this book? It is the ending. Michael Koryta needs to take a refresher course in Mystery Novel Endings 101. Scott Brick
