The Water that Falls on You from Nowhere by John Chu is ...

John Chu won the Hugo this year for Best Short story with *The Water That Falls on You from Nowhere*, and I don't quite understand why. There is almost nothing that is even related to science in it. And, lest you argue that fantasy gets consideration for the Hugo, as well (just look at *The Wheel of Time* series, a Hugo nominee this year), let me just say that I'm not quite sure it falls well.
