To Speak in Pairs: Essays on the Ritual Languages of ...

These original essays study ritual language and parallelism (the strict ordering of words and phrases in alternative, duplicate form). The introduction puts the topic in historical perspective and what was once viewed as a composition form unique to ancient Hebrew is now seen as a feature common to literatures around the world.

To speak in pairs James J. Fox - Eason & Son

This collection of essays is a major contribution to the study of oral composition and ritual communication, and in particular to the use of 'parallelism' (the poetic ordering of words and phrases in alternative, duplicate form). The introduction by Jam
