The octopus, squid, and cuttlefish are integrated into the coleoid sub-class of the molluscs. They have an evolutionary history that goes back over 500 million years, a period long before plants moved onto land.

Octopus Deploy zip - Stack Overflow

In order to then deploy the binaries I would use some custom powershell as this doesn't appear to be an "application type" that Octopus treats as a first class citizen. You could write the powershell inline as a second step by adding a step type of Run a PowerShell script and writing the code in the Octopus UI.
