War and Remembrance in the Twentieth Century edited by Jay ...

How war has been remembered collectively is the central question in this volume. War in the twentieth century is a vivid and traumatic phenomenon which left behind it survivors who engage time and time again in acts of remembrance. This volume, containing essays by outstanding scholars of twentieth-century history, focuses on the issues raised by the shadow of war in this century. The behaviour, not of whole societies or of ruling groups alone, but of the individuals who do the work of War and Remembrance in the Twentieth Century - Google Books

War in the twentieth century is a vivid and traumatic phenomenon which has left behind it survivors who engage time and time again in acts of remembrance. Thus this volume, which contains essays by outstanding scholars of twentieth-century history, focuses on the issues raised by the shadow of war in this century. Drawing on material from countries in Europe, and from Israel and the United States, the contributors have adopted a 'social agency' approach which highlights the behaviour, not of War and Remembrance in the Twentieth Century central question in this volume. War in the twentieth century is a vivid and traumatic phenomenon which left behind it survivors who engage time and time again in acts of remembrance. Thus this volume, which contains essays by outstanding scholars of twentieth-century history, focuses on the issues raised by the shadow of war in this century.

War and Remembrance in the Twentieth Century by Winter Jay

Drawing on material from Europe, America and the Middle East, leading scholars of twentieth century history address the issue of how wars, and the loss of life in wars, have been remembered collectively in the aftermath of conflicts such as the First and Second World Wars, the Spanish Civil War and
