The latest volume from a long-established, trusted partnership, *What We Say Goes* shows once again that no interlocutor engages with Chomsky more effectively than David Barsamian. These interviews will inspire a new generation of readers, as well as longtime Chomsky fans eager for his latest thinking on the many crises we now confront, both at home and abroad. They confirm that Chomsky is an unparalleled resource for anyone seeking to understand our world today.

What We Say Goes: Conversations on U.S. Power in a ...

I approached Noam Chomsky's *What We Say Goes* with an open mind, looking for his out-of-mainstream, far Left take on US foreign policy. Chomsky is a very bright guy and one who is intellectually consistent in his opposition to war; to his credit, unlike many, he is no apologist for Democratic president Obama's new wars and expanded scope of security monitoring. Chomsky has been a proponent of anarchism and 'libertarian socialism'.
