World of our Making is a major contribution to contemporary social science. Now reissued in this volume, Onuf's seminal text is key reading for anyone who wishes to study modern international relations. Onuf understands all of international relations to be a matter of rules and rule in foreign behaviour. The author draws together the rules of international relations, explains their source, and elaborates on their implications through a vast array of interdisciplinary thinkers such as

2 Nicholas G. Onuf, World of Our Making: A world of their making: an evaluation of the constructivist critique in International Relations RONEN PALANI Abstract. IR constructivism maintain that a proper understanding of the way subjects interact with the world and with each other alerts us to the fallacy of conventional IR theory. And yet, for a theory that is so obviously dependent upon a
